

**ST. CHAD'S CATHOLIC PRIMARY SCHOOL**

Dear Parents/Carers

24 February 2015

We would like to book an educational visit to Safeside on 9th March 2015. This is a state-of-the-art interactive learning complex. Some of the topics your child will learn about are road, water, fire, personal and internet safety. They will also learn about dealing with emergencies, first aid and many other topics, all within a stimulating, interactive and safe learning environment. Travel to the venue will be paid for by school, meaning that the total cost for the trip is the £6.00 admission charge.

Children will need to be in school at normal time and will be ready for collection at normal time. Packed lunches will be required.

We need to have commitment from parents that they are willing to pay the £6.00 voluntary contribution to cover the cost of the trip and the slip below returned by **Wednesday 4<sup>th</sup> March** in order to confirm the booking. Any reply slips not received by that date will be considered a "no."

Thank you for your cooperation.
