23rd September 2016.

Dear Parents / Carers,

Congratulations to:

Gold Star Children this week who are:

Reception: Ava for doing every activity to the best of her ability.

Y1: Oliver for setting an excellent example to his classmates and being helpful.

Y2: Alex for showing great knowledge in all subject areas and enthusiasm in class.

Y3: Gabriella for a mature approach to her swimming lessons.

Y4: Victoria for always showing great care with her work, showing brilliant concentration.

Y5: Isabelle for giving excellent answers in R.E.

Y6: Bethany for writing an excellent book review on War Horse

Golden ticket winners: Styliani Savvides and Victoria Nwuka.

MacMillan Cancer Support:

Mufti: in order to raise as much as we can, children may wear green next Friday (30th September) in support of MacMillan Cancer Support. Children who wear green mufti (non-uniform) should donate £1 to the charity.

Macmillan Coffee Morning: please join us on Friday 30th September at 9am in the DT room, with the sale in the computer bay – access from the playground. We still need items in good condition for the “Bring and Buy”. We will accept cakes on Thursday after school or Friday morning. Children will be able to “shop” a class at a time if they have money.

Winter Uniform: with this current spell of warm weather you may send your child to school in summer uniform if you choose. However, from Monday 3rd October, all children must wear winter uniform. Any outgrown uniform would be appreciated for the nearly new uniform sales.

Congratulations:

- To Faith Gazer-Tomlinson and Nicholas Lee who have passed their Violin Grade 1. Well done children.
- To Ben Flanagan and Kian Richards from Y6 who have been selected to play football for the district. Well done boys!

Mathletics: School currently pays for home access to Mathletics which is available on most tablets as well as the computer. Log on details should be at the back of your child's homework folder. It is a programme which encourages children to use their maths to compete safely against other children around the world. Children who are successful in getting into the Hall of Fame are mentioned on the Mathletics website. Mathletics is very successful in helping children to practise and improve their skills. Bronze, Silver and Gold awards are given out every Friday in our Praise Assembly. If you are having problems accessing Mathletics on an iPad or Android device you may need to update the App. Reception children will be given their log in details in the next few weeks.

Have a good week,

S. M. Mason
