

'God's mercy upon souls is extraordinary.'

St. Faustina Kowalska

St. Maria Faustina Kowalska (1905 - 1938) was a Polish nun who saw Jesus and received messages from Him. Jesus wanted to tell the world that He is the Divine Mercy. God will never reject anyone who believes in His Mercy. St. Faustina's confessor told her to write these messages down in a diary. An artist also painted a picture of Jesus as St. Faustina described. Both painting and diary continue to tell of God's loving Mercy to people everywhere today. Her feastday is on 5 October.

Prayer

Dear Lord Jesus,
I thank You for being so merciful to me although
I am a sinful person. Teach me to be merciful to others.
Amen.
