

St. Chad's Catholic Primary School.

Sports Premium Report 2016-2017.

St. Chad's Catholic Primary School

Sedgley

The sports premium is specific funding designed to improve the provision of physical education (PE) and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. It is allocated on the basis of a £8000 lump sum and an additional amount of £5 per pupil from Y1 to Y6. This fund will continue until 2020.

St. Chad's received £8845 for 2016-2017

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

At St. Chad's Catholic Primary School we are focused on the developing high quality teaching and learning in P.E, increasing physical activity to aid a healthy life-style and increasing participation in a range of extra-curricular clubs, matches and tournaments

All classes have two hours a week curriculum P.E time, which is taught by their class teacher. We want to increase the P.E skill levels of the school staff so certain staff have attended training to develop their skills in selected sports: gymnastics, High 5 Netball and Athletics. The school is a member of the School Youth Trust and benefit from their training and support.

Y3 are the class that attend the local swimming baths for one afternoon week throughout the school year. They are taught by qualified swimming coaches and supported by school staff. Swimming is subsidised so that pupils do not miss out due to financial constraints. The target is for every child to achieve at least the National Curriculum requirements:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

We also want to increase participation in a range of extra-curricular clubs, matches and tournaments. In 2016-2017 we will introduced new sports to the extra curriculum clubs being offered, including fencing and archery.

We want to further increase the percentage of children who take part in competitive sports.

Since September 2015 we have appointed Sports' leaders from Year 5 and 6. These are children who have shown dedication and ability in sport and PE and are now willing to share their skills with younger children. They assist teachers and coaches during after school clubs, encouraging and supporting others in their love of sport.

As well as formal sporting opportunities we encourage the children to increase their physical activity by becoming more active during their lunch hour. In addition to the sets of skipping ropes purchased last year we have bought a range of equipment to enhance lunchtime activities. The goal posts are ever popular and we have purchased another new set to enable lunch time football to take place.

During 2016-2017 we hope to introduce a daily running activity based on Run a Mile a Day. We have appointed a Healthy School co-ordinator who leads the school on healthy life choices to include diet and exercise. The Healthy School Co-ordinator works closely with the PE. Co-ordinator.

The P.E. Co-ordinator will attend the Primary PE and Sports Premium Conference in March in order to ensure the

In St. Chad's we continue to focus on football, netball and gymnastics. During 2015-2016 we introduced archery as another competitive sport. We continue to enter competitions for all four activities whenever possible.

Sports in which compete:

Netball:

- We are affiliated to the All England Netball Association.
- Coaching each week is provided by members of Libra Lea netball club who train the children and support them in competitions.

Gymnastics:

- Two teams from Key Stage 2, took part in the Dudley Schools Primary Gymnastics Competition in March 2017.
- Approximately 225 children and young people took part in this competition throughout the Dudley borough.

Archery:

- This new sport was introduced with a whole school archery day in March 2016.
- This was followed by an after-school club.

- A team from Y3 and Y4 competed in the first Dudley Archery competition in May and became the first winners of this trophy.
- In November Y3 and Y4 also competed in 'Inspire to compete in archery competition'. This competition was against other local primary schools.

Other sports:

Tennis:

Dudley Schools Tennis competition will take in May. Last year our team of Year 4 pupils reached the semi-final of this competition.

Skipping:

Following last year's whole school skipping day last year the children are still enjoying developing their skipping skills. Skipping is a great way to keep fit and is still popular with both the boys and the girls, with staff encourage children to skip at lunch time to achieve certificates for being able to demonstrate various skipping techniques

Sporting Festival:

Pupils from Y5 took part in a cross Multi Academy sports festival held at Bishop Milner Catholic College. This gave them the opportunity to experience new sports and enter in to competitions with other schools.

Sainsbury's School Games Mark

The Sainsbury's School Games Mark is a Government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community.

We have successfully achieved the **Sainsbury's School Games Silver Mark** (formerly Kite mark). This is awarded for sustained commitment to PE and School Sport.

The Silver Award is recognition that

- All students have access to two hours of physical education and school sport per week (made up of curricular and extracurricular activity);
- We engage at least 35% of students in extracurricular sporting activity every week;
- There are opportunities for both boys and girls to take part in the appropriate level of competition.
- The school has active links with at least three local sports clubs

What next?

- We plan to introduce the children to other sport activities through whole school taster days.
- We plan to introduce a daily activity session based on a Mile a Day for all children.

- The P.E. Co-ordinator will attend the Primary PE and Sports Premium Conference in March.
- Additional staff will attend courses to develop their skills.
- We are working towards the Gold Gamesmark.
- Active Lunch - we have had the playground marked with a variety of games. Two members of staff have received training to support these activities.
