**Playground equipment:** Yesterday we had the playground equipment inspected and received some disappointing news.

While the equipment is inspected regularly by Mr Evans, the registered inspector assessed the equipment more thoroughly and declared it unsafe to use. A decision like this has to be abided by immediately - it's important for the safety of the children.

The play trail on the field can be repaired and we will get this done as soon as possible. But the age of the play equipment on the front of the school makes it uneconomical to repair, so it will have to be removed.

We would love to replace this equipment but it is extremely expensive. We will be looking at organising some fund raising activities after half term as this provision is important for the children in school.

**Y3 First Holy Communion candidates:** Father Paul was pleased with most of the children's Mass attendance records when he checked them last week. He will be checking them again before the children receive the Sacrament of Reconciliation, which is planned to take place during the week after half term. Please support your child during this very important preparation time.

**Summer Uniform:** may now be worn, but please make this decision based on the weather – not the calendar! Winter uniform can still be worn. Girls must only wear white socks with their summer dress. If it's cold enough for tights, perhaps the winter uniform should still be worn for a little longer! When you are buying summer uniform please remember that girls should wear a red sweatshirt cardigan, with the school badge (as it is on the current green sweatshirt). These cardigans should be available from Teamsports in Bilston Street, Sedgley and Oakes in Dudley. Please make sure all items of uniform are named.

**Boys' Summer shirts:** are available from Teamsports, Bilston Street. I am advised that the boys shirts are now in stock. Boys do not need to wear a tie with the summer shirt.

**Naming uniform:** this time of the year children regularly remove their cardigans and sweatshirts as it becomes warmer during the day. Please ensure that these are named as children need to be able to identify their own clothes.

**P.E Kits** – we would be grateful if you could check your child's kit over the half term break to ensure that everything still fits. It is at this time of year that children start to grow out of kit and pumps. We have noticed a large number of children with **NO** P.E kit in school. Please ensure that a suitable P.E kit is returned to school after half term.

**Term Time Absence Requests:** all applications for absence in term time must be made on the school form, which can be found on the school website or a copy can be obtained from the school office. Please note very few requests are authorised as they must be for **exceptional** circumstances. All request must be made a minimum of ten school days before the requested date of absence. <http://www.st-chads.dudley.sch.uk/pdfs/form-absence.pdf>

**Staff car park: The car park is for staff only.** Parents are not allowed to use the car park to drop off children when they are late. Parents bringing children to school late have to walk through this car park and moving vehicles make this extremely dangerous. All staff cars are stationary by the time the bell rings.

School closes today (Friday 24<sup>th</sup> May) for the half term holiday.

**School reopens:** after the holiday on Monday 3<sup>rd</sup> June at 8.55am.

**School menu: Week 2**

Have a good half term,

**S. M. Mason.**
