

# First Half Summer Term 2021

*Hello!*

Dear Parents and Carers,

It's my great pleasure to be sending you this newsletter for the first half of the Summer Term and my great pleasure to do so with all of the children back in school together. Thank you as always for all of your cooperation with the school during what is still a very challenging time with restrictions and rules placed upon all of us. We really appreciate your cooperation and we never forget how difficult it is to juggle school, work and family life – and that's why we appreciate your support and kindness so much.

This newsletter gives you lots of important information about what's happening in school and also keeps you up to date on the important safety procedures we all need to continue following, at least for the time being.

## **St John Bosco Catholic Multi Academy Company (MAC)**

We are part of St John Bosco Catholic Multi Academy Company which includes St Joseph's Catholic Primary Dudley, St Mary's Catholic Primary Wednesbury, Bishop Milner Catholic College, Dudley and Stuart Bathurst Catholic High School in Wednesbury. Other Catholic schools will soon be joining us too.

We now have our own Catholic Senior Executive Leader (CSEL) who fulfils the role of a Catholic Chief Executive of our MAC. We are really pleased to welcome **Dr Nicholas Cuddihy** as our CSEL and look forward to working with him to continue to improve the quality of Catholic educational provision in all of our schools.

## Keeping Children Safe

Our school is committed to safeguarding and safe practices and you can read our Policy on our website. The Designated Safeguarding Leads are Mr Hinton and Mrs Chapman and Mrs Bentley and Miss Oakley are the Deputy Designated Safeguarding Leads. If you are concerned about your own child or any other child, please speak to one of our safeguarding leads straight away. We strictly follow all of the local safeguarding protocols of Dudley Safeguarding People Partnership—that you can find in our Policy and on the DSPP website: <https://safeguarding.dudley.gov.uk/safeguarding/child/>

## Our Catholic Schools Pupil Profile Values this half term are **COMPASSIONATE** and **LOVING**

The children have all been focussing on these values in RE, in assembly, mass and in their day to day work in class.

### **COMPASSIONATE**

Having sympathy and empathy for other people, thinking about others near and far, especially the less fortunate

### **LOVING**

Showing Christ-like love for all others, even when this is difficult to do, thinking of others, acting with fairness and equality, being just and showing true forgiveness in the ways of Jesus.

## **The God Who Speaks – focussing on the relevance of Bible scripture in our day to day lives**

The children have been focusing on this piece of scripture from John 20:31, which reminds us all that the Easter story and the joyous resurrection are the foundation of our faith. God came to earth in the form of the son, died, rose again, ascended into heaven and sent down the holy spirit to live amongst us until he returns again:

*‘These have been written in order that you may believe that Jesus is the Messiah, the Son of God’*

## Our faith life in school during the pandemic – assemblies, masses, prayer and meditation

It's now fifteen months since the whole school gathered in the hall for Mass or an assembly – likely the first time gathering for collective worship has ever been disrupted in the schools long history. Even though we can't all gather together we celebrate acts of collective worship every day, as individual bubbles either in the classrooms or in the hall. Every class takes it in turn to attend a Gospel assembly on Mondays led by Mr Hinton. From May 4<sup>th</sup> we have been allowed to resume the celebration of Mass for individual class bubbles so every class takes it in turns to attend Mass with Fr Paul, Mr Hinton and the class in the hall on Tuesdays. On Wednesdays each class celebrates their own 'Wednesday Word' assembly in class, on Thursdays there is guided meditation and online assemblies and on Fridays each class takes it in turn to attend a merit assembly in the hall with Mr Hinton.

The Religious Education curriculum continues as normal to cover 10% of all teaching time and all classes allocate time for traditional prayer, daily prayer, private prayer and meditation. Father Paul visits the school every week for Mass, to visit classes and to meet with staff and leaders.

We very much look forward to the time when we can gather as a whole school and parents, carers, friends and family can join us. Until then, you can be assured that we gather in all of the ways we are allowed to in school, collective worship is at the heart of the school and every opportunity is taken to maintain and develop the Catholic Life of the school. We post regular updates in the blog section of the school website and on our Facebook and Twitter accounts.

Our lovely Mass

On Tuesday 11th May Year 5 celebrated mass for the first time in what seemed like ages! We made sure everything was prepared so that on the day we could thoroughly enjoy the experience of being that little bit closer to Jesus and, in particular, the Holy Spirit, which was the central focus of our gathering. Hopefully, you can spot the title that the Holy Spirit has – The Great Advocate. Father Paul was overwhelmed by the understanding, the careful thought placed into creating a meaningful display and the spirituality that Year 5 have shown in our Mass. Moreover, we are extremely grateful that we could welcome Father Paul back into Saint Chad's and we look forward to our welcoming him back again soon. Thank you Father Paul and thank you to Year 5!

### Diary Dates for the Summer Term!

We have tentatively made arrangements for some special events during the summer term. We are hopeful all of them can go ahead as school 'individual bubble' based activities and we hope that we **may** be able to invite parents and carers to join us if the restrictions allow. We've enclosed the diary dates as a separate document. As things stand all of the events will be closed events for class bubbles only (sadly no parents, carers or friends allowed) BUT things may well change by the time some of these events take place. We need to wait and see what the next easing of restrictions will bring, plus what the local authority, public health and our own Academy guidance permits us to do. Rest assured – if we can welcome you to our special events after consulting government and local guidance / rules – it will be our greatest pleasure to get in touch and invite you! Until then, the events as they stand are just for the children – but hopefully this may change.

### Parent's Survey

We would be grateful if you would complete our survey and return it to the school, by **Monday 24<sup>th</sup> May** if possible. We will carefully study all of your thoughts and comments and do our best to take on your feedback. We'll analyse the surveys and let you know a summary of everyone's views and how we hope to continue improving after considering your feedback.

### Ofsted Parentview

We are always grateful when you provide your views to Ofsted via Parentview. All we ever ask is that if you are not happy – please tell us first to give us the chance to put things right.

So far this academic year we have 38 responses with the latest one being submitted on 19<sup>th</sup> April 2021.

Please submit your views at [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk)

We really appreciate your time.

### Sacramental Masses: First Holy Communion and Confirmation

Our Sacramental Masses were disrupted by the lockdowns and restrictions.

Current Year 4 First Holy Communion: Saturday 3<sup>rd</sup> July at 10.00am in Church  
Current Year 6 Confirmation: Wednesday 7<sup>th</sup> July at 6.30pm in Church  
Current Year 3 First Holy Communion: Date in September 2021 to be confirmed

Dates for our current Year 2 pupils' First Holy Communion and current Year 5 Confirmation will be sent out to you next term. Both are expected to take place in Summer 2022.

# Homework

## Homework

Your child should normally receive one piece of Maths homework, one piece of English homework and weekly spellings or phonics. This is normally set on Fridays to be returned on Wednesdays. If your child doesn't bring any work home, please contact us to check. Sometimes there may have been a delay sending things out but it's best to check so we can sort things out for you.

## Reading Books – hearing children read and changing books

Our aim is to hear all children read their reading book at least once per week, in addition to the reading work they complete in guided reading. Children's reading books should normally be changed once per week and we will formally assess your child's reading fluency at least once per half term, moving them up through the book bands as appropriate.

There are inevitably occasions when we cannot hear all of the readers in a week and staff absence is a prime example of this. If a teaching assistant is absent then there will be a delay in hearing readers – this is because the teacher may be on their own and is engaged teaching the class all day. Special events or theme weeks may also limit our opportunities but we will always catch up as quickly as we can.

However – during normal times you should expect that your child will be heard read at least once a week and this will be noted in their reading diary. If you have any concerns that your child has not been heard read – please let us know so that we can address the matter.

## Mini reports, end of year reports and parent's evenings

You should have received your child's mini report this week. This is just a very brief report intended to update you on how your child is getting on at school. This will be followed by the opportunity to meet your child's teacher for a virtual parent / teacher consultation later this month. In July you will be sent your child's full school report and there will be an additional, optional parent consultation at the very end of term – which again is currently planned to be a virtual meeting. Full details of how to book your parent / teacher consultation online will be sent out shortly. Bookings will be 'live' from Monday 17th May at 9.00am for Year 1 up to Year 6.

## You don't need to wait for parent's evening to speak to your child's teacher

If you have any worries or concerns or just need to discuss something – you can contact us at any point and we will always be very happy to do all we can to help.

**Covid-19 Safety – Important – our school adheres to government rules and local public health guidance – please support us to keep everyone safe**

**Lateral Flow Tests are for people who DO NOT have symptoms – they are NOT for symptomatic people**

The purpose of Lateral Flow tests is to detect positive cases in people who don't have any symptoms or who don't yet have any symptoms. They should not be used to diagnose symptomatic cases.

Anybody who has symptoms of new and continuous cough, high temperature or fever or loss of taste or smell **MUST** immediately self isolate along with their entire household, book a test and continue household isolation until the test result is received.

If you or your child has symptoms of Coronavirus you should not use a Lateral Flow Test – you must self isolate as an entire household, book a full PCR test at a test centre and stay at home until the test result is known.

If the PCR (full) test is negative – everyone can stop isolating. If it is positive – everyone in the household must continue isolating and await advice from NHS Test and Trace about the period of isolation required.

#### **If your child develops symptoms at home**

If your child shows any signs of the classic Covid symptoms of cough, temperature or fever or loss of taste or smell = please **DON'T SEND THEM TO SCHOOL**. You must **SELF ISOLATE THE ENTIRE HOUSEHOLD, BOOK A TEST and STAY AT HOME UNTIL YOU GET THE TEST RESULT**. A Lateral Flow test is **not sufficient** for a symptomatic person and cannot be used as acceptable evidence of being virus free. **For anyone who has symptoms – only a full PCR test can be used.**

#### **If your child develops symptoms at school**

We will safely isolate them and someone will be with them to look after them and reassure them. We will call you and advise you that your household needs to self isolate, you need to book a test for your child and you need to stay at home until you get the result.

Once again, the result of a Lateral Flow Test is not acceptable when a person is symptomatic – the only acceptable evidence of being virus-free when someone has symptoms is a PCR full Covid-19 test. These are government and public health rules – not ones that we have made up! We understand it's disruptive, frustrating and often very inconvenient to have to pick your child up, self isolate as a household and book a test to then have to wait for the result. We've all been there at least once this year and we understand! At the same time, the virus is still present in the community and we have experienced only a few weeks ago how quickly it is transmitted amongst children.

Please continue to support us and cooperate with us during these challenging times – we understand your frustration sometimes but we ask you to also understand how the school **MUST** follow all the rules and continue to do everything we can to limit the spread of the virus amongst the children.

Thanks so much!

# POLITE AND RESPECTFUL REMINDERS

Thank you for supporting us

## Attendance and Timekeeping

Schools are open as normal since Monday 8<sup>th</sup> March and all children are expected to attend. Persistent absence is dealt with via referral to the Education Investigation Service of Dudley Local Authority who will investigate and have the power to issue penalty notices or seek prosecutions.

We have made arrangements in school to admit siblings together during this period of staggered starts and finishes in order that it is easier for parents and carers to bring all of their children to school on time. Please do all you can to ensure your child comes to school on time every day. We all run late from time to time and this is perfectly understood - but repeated lateness is not acceptable, it is reflected in your child's register marks and is inspected by Ofsted. Please support us to have a high standard of punctuality.

Year Group	Start Time	Finish Time
Reception	9.15am	3.15pm
Year 1	9.00am	3.00pm
Year 2	8.45am	2.45pm
Year 3	8.45am	2.45pm
Year 4	9.00am	3.00pm
Year 5	8.30am	2.30pm
Year 6	8.30am	2.30pm

## Holidays during term time are not authorised and can lead to penalty fines from the Local Authority

We do not authorise any holidays in term time. Please don't ask the school to authorise holidays as it can be very upsetting and embarrassing when this has to be refused. Any time that you take your child out of school without our authorisation will be recorded as unauthorised absence. Unauthorised absences may be referred to the Education Investigation Service for the issue of fixed penalty notices. Please note the revenue from these fines DOES NOT come to the school but is retained by the Local Authority.

## Compassionate Leave

There are exceptional life circumstances where it is essential for a child to have time off from school. These are usually linked to bereavement, trauma, family illness and other exceptional circumstances. We can authorise very limited absence in these circumstances but again – not for the purpose of family holidays.

## Absence Notification Form must always be completed before any absence

If you intend taking your child out of school for any reason, please complete an absence notification form, which is available from the office. Fill the form in and send it back to school. If you need exceptional circumstances to be considered (in the case of compassionate leave) please either include these on the form or speak to the office, Mr Hinton or Mrs Chapman once you've sent the form in. We will write back to you when we have received your form and let you know if your absence is unauthorised or authorised and give precise details to you.

# Food and Drink in School

## Cakes and sweets for children's birthdays – food allergies

We have a number of children in school with food allergies. When parents and carers generously send in birthday cakes or sweets not all children can accept the gifts because of food allergies. This means that the school is finding alternatives – sometimes involving staff having to go off site to the shops to find suitable replacements. Sadly, this isn't always practical so it is safest that we ask you not to send in cakes or sweets for children's birthdays because of the difficulties we experience in ensuring everyone's food allergies are met. We're really sorry to have to make this restriction but we hope you'll appreciate that ensuring everyone is kept safe has to be our priority.

## Choking Hazards – grapes, tomatoes and similar small fruit – please chop into pieces before sending to school

Small fruits such as grapes and cherry tomatoes present a serious choking hazard if they are swallowed whole. If you are sending your child to school with small fruits/vegetables like this, please make sure they have been chopped into small pieces. All small fruit that is served at school is chopped so that it presents less of a choking hazard.

## Nut Friendly School

Children may have nut allergies without parents yet being aware. In order to maintain a safe environment as possible St Chad's is a nut-friendly school. Please can we ask that you don't send your child to school with nuts to eat or with any nut-rich products such as Nutella, Peanut Butter and Reese's. Chocolate spread without nuts is a safer alternative.

## Healthy Playtime Snacks and Healthy Lunchboxes

Please can we ask you to only send healthy snacks for playtimes and lunchtimes. For playtime a piece of fruit is ideal, although a biscuit, a very small chocolate bar or small bag of low fat crisps is also acceptable. Big bags of crisps, high sugar snacks or big chocolate bars are not healthy snacks and are not suitable for playtimes. We don't want to 'ban' any foods in moderation but we do need to ask you to keep a close eye on playtime snacks and help us to make sure all snacks are as healthy as possible.

Similarly at lunchtimes, please can we ask you to ensure lunchboxes don't contain big bags of crisps, big chocolate bars or any other high fat or high sugar products. A small bag of lower fat crisps, a biscuit or a very small chocolate are acceptable – but please try to keep high fat or high sugar foods to healthy levels.

We want the children to be able to enjoy a balanced diet and we feel that 'banning' any food is at odds with making healthy choices. We would much rather help the children understand how to enjoy 'everything in moderation' and encourage them to make healthy choices wherever possible, enjoying treats in moderation. Thank you for supporting us.

### School Uniform

There are flexibilities for THIS TERM ONLY because of difficulties obtaining correct school uniform during the lockdown.

**Children need to wear the normal, full St Chad's school uniform from September 2021 and our uniform suppliers are aware of this. The flexibilities only apply for this term, Summer 2021.** You can purchase uniform for the new year in complete confidence that the full, normal uniform will be in place for the 2021-2022 academic year.

**For complete clarity – the normal school uniform policy (without flexibilities) will apply for the 2021-22 Academic Year.**

A new law is being passed that requires schools to make sure school uniform is affordable and government guidance will be published in the autumn. Once this guidance is published we may have to review our policies for September 2022/23. You can read more about this here: [https://www.gov.uk/government/news/new-law-to-make-school-uniform-costs-affordable-for-all?utm\\_medium=email&utm\\_campaign=govuk-notifications&utm\\_source=f0e82dc6-d590-4601-a763-72e348689e4d&utm\\_content=daily](https://www.gov.uk/government/news/new-law-to-make-school-uniform-costs-affordable-for-all?utm_medium=email&utm_campaign=govuk-notifications&utm_source=f0e82dc6-d590-4601-a763-72e348689e4d&utm_content=daily)

If changes are required by law for 2022-23 we will ensure a proper consultation is undertaken before any amendments are made in order to comply with the law.

### Sun Safety

If the sun eventually decides to come out.....

Please ensure you send your child to school having liberally applied strong sun cream (SPF 50 is recommended) to all exposed skin including face, neck, arms and legs.

We will have sun cream available in school for top ups. This will be dispensed to children by a member of staff. PLEASE LET US KNOW IF YOU DO NOT WISH YOUR CHILD TO ACCESS THE SCHOOL SUPPLY OF SUN CREAM.

Children can also wear sun hats or caps whenever they are outside in sunny weather.

### Thank you for your fundraising during the season of Lent

Thank you for your generous CAFOD donations. £146.34 was raised and every penny will make a difference.

### Thank you for your school fund donations

Thank you so much for your extremely generous donations to our school fund. So far you have generously donated £823.22 in the Autumn Term and £87.00 Spring Term.

We welcome any donations you would like to make to the school fund for the summer term. As always, we ask you only to donate if you feel you would like to and if you are able to. There is no pressure and no expectation. At the same time, your donations are precious to us and have enabled us to stretch our limited budget a lot further to provide lots of extras for the children such as Christmas gifts, additional art resources, play equipment and additional reading books, stationery and even some extra music lessons taught by specialist teachers. In short, school fund helps us provide things we otherwise would not be able to.

If you would like to make a donation this term, it will be very gratefully received and put to good use.

**How to donate** - donations can be made using the SchoolGateway app.

Thank you to everyone who has downloaded the SchoolGateway app. If you haven't done so here are the steps to follow;

- Search for "SchoolGateway" in the Apple App Store/Google Play or on your phone go to [www.schoolgateway.com/apple](http://www.schoolgateway.com/apple) (Apple) or [www.schoolgateway.com/android](http://www.schoolgateway.com/android) (Android)
- Install the app and if you are asked then say yes to "Allow Push Notifications"
- When you launch SchoolGateway for the first time, please select 'New User' and enter the email address and mobile telephone number you have registered with school.
- The system will send a PIN code to your phone; please enter this PIN code and the app will be activated for you.

**Keep in touch – we are here to serve you and it is our pleasure to help**

Your child's safety, happiness and academic progress are the reason why every single member of staff is here. If you are concerned about any aspect of school life – no matter how small – it's really important to let us know. The sooner we know about things the sooner we can do our best to sort things out.

The teachers and teaching assistants can take quick messages on the door before and after school – if you need a longer, private conversation please call the school and the teacher will call you straight back.

Mr Hinton will see you straight away if he is able to or if not he will call you straight back. Mrs Chapman is predominantly based at St Joseph's but regularly works over at St Chad's as well. She is the next most senior person across the two schools after Mr Hinton and is fully authorised to help you at the highest leadership level alongside Mr Hinton. If Mr Hinton is at St Joseph's he will still call you straight back and if Mr Hinton is out of school and not available, Mrs Chapman will help you. We also have Miss Oakley and Mrs Bentley as senior teachers who can deputise for Mr Hinton and Mrs Chapman.

Please do contact us as quickly as possible if you need help with something – that's what we are here for. All we want is for you and your child to be happy, safe and thriving at St Chad's.

Thanks for reading this newsletter and thank you for your ongoing support.

Every kind wish as always,

**Mr M Hinton**  
**Executive Principal**

# IMPORTANT DATES - Summer 2021
